

FAHAD AZIZ

Marketing Manager · fahadtaherani@yahoo.com · +905054865288 · Istanbul, Turkey · English · Urdu/Hindi · Turkish

PROFESSIONAL SUMMARY

Results-driven marketing specialist with 6+ years of proven audience growth and content performance across international markets. Built YouTube channels from scratch including one that reached 120000+ subscribers and millions of organic views independently since 2015. Doubled an international publication's monthly readership from 2M to 4M pageviews as Coordinating Editor. Managed brand presence for an international product and executed multi-platform digital strategies for US-based clients to generate revenue. Strong self-starter with hands-on experience in SEO, AEO, content optimization and social media execution.

EXPERIENCE

Marketing Manager | iGaming.com GmbH - Germany (Remote) | May 2024 – Mar 2026

- Owned full brand and social media presence across Instagram, Facebook, LinkedIn and YouTube
- Produced consistent high-quality content across specialized niches managing ideation through publication independently
- Built and maintained brand voice and storytelling guidelines and ensured cohesive narrative across all external touchpoints
- Experimented with content formats, publishing cadence and platform-specific strategies to identify highest-performing approaches

Digital Marketing Manager | Five Tax Business Consultancy - USA (Remote) | Aug 2022 – Mar 2026

- Built and executed online business and kickstarted revenue through email marketing before handing it over to clients
- Ran multi-account social media strategies with focus on short-form video, audience growth and community engagement
- Created content calendars, channel briefs and publishing guidelines and managed publishing workflows across concurrent client accounts
- Developed web content strategies improving keyword rankings and conversion rates aligned with business growth

Coordinating Editor | Global Village Space News (GVS) - Pakistan | Feb 2020 – Sep 2022

- Scaled monthly readership from 2M to 4M pageviews through improved content curation, social media strategy and publishing cadence - a 2x growth in under two years
- Managed a distributed team of writers and junior editors, coordinated workflows, set quality standards and maintained publishing schedules at scale
- Designed SEO-driven editorial strategy across political, business and international affairs - driving organic discovery and authority growth
- Drove cross-functional alignment between editorial, social and digital teams and managed relationships with columnists, journalists, brands and government

Freelance SEO Content Writer | Disrupt.com - Remote | Oct 2022 – Mar 2024

- Produced SEO-optimized long-form content for authority and affiliate blogs - keyword research, topical clustering and content structuring at volume
- Collaborated with editors and strategists across concurrent projects and consistently met quality and deadline

Independent Creator & Audience Builder | YouTube - Self-Directed | Mar 2015 – Present

- Built multiple YouTube channels from zero including one reaching 120000+ subscribers with tens of millions of organic views - audience developed entirely through content quality and SEO, no paid promotion
- Scripted, produced and edited video content across niches and managed full production pipeline independently including personal finance and international affairs content
